

**RENTAL PROTECTION PLAN**

The Rental Protection Plan (“RPP”) from Resolute Industrial LLC dba Mobile Air & Power Rentals, a Delaware limited liability company (“MAPR”) may limit your liability in case of damage, loss, or theft of Equipment. Terms not defined herein have the meaning ascribed in the Resolute Industrial LLC dba Mobile Air & Power Rentals Rental Agreement Terms & Conditions (the “Terms & Conditions”).

**BENEFITS:**

- Low-cost option to manage the unexpected
- Saves money on repairs or replacement
- Waives rental fees during repair time COVERAGE\*
- Accidental damage
- THEFT and/or VANDALISM

**HOW IT WORKS:**

- RPP covers the first \$75,000 of damage or loss to the Equipment when an Authorized Individual incurs an unintentional damage, loss, or theft of rental equipment.
- 15% RPP fee will be automatically added to the rental unless the customer provides MAPR a Certificate of Insurance (COI) naming MAPR as an additional insured within 30 days of invoice date. This must be property insurance not liability, and is in addition to all other insurance obligations required under the Terms & Conditions. Upon receipt, customer shall email a completed COI to its MAPR sales manager. No credits will be issued after 30 days of invoice date.
- **RPP IS NOT INSURANCE AND DOES NOT PROTECT CUSTOMER FROM LIABILITY TO MAPR OR OTHERS ARISING OUT OF POSSESSION, CONTROL OR USE OF THE EQUIPMENT, INCLUDING INJURY OR DAMAGE TO PERSONS OR PROPERTY.** RPP is only available to direct customers in connection with the rental of equipment from MAPR and must be executed simultaneously with a rental and service agreement.
- If a covered loss occurs, customer must pay a deductible of (a) 10% of the replacement value of the Equipment or (b) 10% of the cost of repairs, or (c) \$1,000 plus state and local taxes; whichever is less.
- For repair or lost costs over \$75,000, MAPR will work with the customer and their insurance company to recover the remaining balance. Notwithstanding the foregoing or anything to the contrary herein or in the Terms & Conditions, if lost or stolen Equipment is later recovered, MAPR retains ownership of the Equipment regardless of any payments made by customer or customer’s insurance company with respect to such Equipment, all of which payments are non-refundable. Customer agrees to promptly return any Equipment that is recovered. MAPR shall be subrogated to customer’s rights to recover against any person or entity relating to any loss, theft, damage or destruction to the Equipment. Customer shall cooperate with, assign MAPR all claims and proceeds arising from such loss, theft, damage or destruction, execute and deliver to MAPR whatever documents are required and take all other necessary steps to secure in MAPR such rights, at customer’s expense.

**RPP Restrictions and Exclusions:**

- **Damaged Equipment** – When a customer rents equipment covered under the RPP program, the customer will not be required to fill out a claim form for damages less than \$15,000.
- If damage to a piece of equipment exceeds \$15,000, the customer is required to complete an incident report form for the RPP Claims Management team to review. Claims will be subject to denial if the damage is determined to be due to: striking an overhead object while in motion, acts of God such as floods, hurricanes, wind storms, earthquakes or fires, overloading rated capacity, exposing equipment to corrosive material, damage to tubes and tires, overturning equipment, claims history, filling a reservoir with the wrong type of fluid, situations where equipment is used outside the intended purpose or capacity of the machine.
- **Stolen Equipment Excluded** – When equipment covered by RPP is stolen from a customer, a valid police report must be provided.
- RPP claims may be denied or put on hold if customer account balance is significantly past due.
- The RPP and rental contract must be paid in full for an RPP claim to be approved.

All exclusions remain the liability of customer and are not modified by the RPP.
